

NV-DTY

The Novus® Duty Station (NV-DTY) is an audible alert device commonly used in staff lounge areas where staff members can be alerted to system calls. It is capable of producing multiple tones to differentiate call types.

- ▶ Reports 7 levels of calls with audible buzzer
- ▶ Mute button to allow temporary muting of calls
- ▶ High visible LED (multi-color) to provide visual alert
- ▶ Attractive Lexan membrane (Pantone 1C Warm Grey)
- ▶ Solid state circuitry
- ▶ Plug-in connection to system wiring
