

Novus® Emergency Stations (Novus® and 2000-series)

ASSIST

CODE WHITE

EMERGENCY

CODE BLUE

**STAFF EMERGENCY
CODE BLUE**

See reverse for a complete list of standard available faceplates.

The Novus® Emergency Stations allow staff members to send critical alerts to their teams.

Each station has a color-coded Sealed Membrane Active Raised Tactile or SMART™ switch that clearly states its function, such as “Code Blue,” Code White,” “Staff Emergency” and a host of other available calls. A call-assurance LED indicator lets the staff member know that the call was placed. The large “Cancel” SMART™ switch is easy to spot. They are designed for use with the West-Call® Novus®, Odyssey and Endeavor systems.

- ▶ Color-coded SMART™ switch allows staff members to send critical alerts to their teams
- ▶ Call-assurance LED indicator lets the staff member know that the call has been placed
- ▶ Large "CANCEL" SMART™ switch is highly visible
- ▶ Solid state circuitry
- ▶ Fire retardant high-impact hospital grade molded thermoplastic with inlaid membrane
- ▶ Relay output standard on Code stations
- ▶ Attractive Lexan membrane (Pantone 1C Warm Grey)
- ▶ Easy plug-in connection into the system wiring

- * Programmed for the Endeavor system. Specify –EV at the end of the part number (i.e., 40139036-EV for Code Blue)
- For use with the West-Call® Novus®, Odyssey and Endeavor systems
- Custom color and wording of faceplates available at an additional cost

Operating Voltage	28 VDC
Power Consumption	1 Watt maximum
Dimensions	4 ½" H x 2 ¾" W x 1 ½" D
Mounting	4-inch square backbox with one-gang plaster ring, Raco 190 with 768 one-gang adapter or equivalent. Minimum 2 1/8" depth required. Normal mounting is vertical. For remodel areas, use Raco 500 or 503 with 977 Grip-Lok or equivalent. Minimum 2 ½" depth is required. Hospital grade UL94V-0 ABS molded thermoplastic with inlaid membrane
Faceplate	
Faceplate Color	PMS 427; Light Grey Opaque
Lamp Life	500,000 hour minimum
Switch Life	100,000 cycles minimum
Cable Requirement	Novus®: CAT-5; Odyssey and Endeavor: 4 conductor 22AWG
Termination Requirement	Plug-in connector allows rapid mass termination. Novus®: RJ-45; Odyssey and Endeavor: Panduit CE100F22-8
Certifications	UL-1069 for US and Canada, E139082
