

NV PSM/5

The West-Call® Power Supply Modules provide low voltage, current limited power to all signaling units for the West-Call® Novus® System. Each assembly provides independent replaceable power supplies and a 120VAC power outlet to facilitate plug-in type power connections. All Power Supply Modules include high frequency switching, solid state circuitry, electronic circuit breaker overload protection and a status LED. A UPS is added to protect against power fluctuations and power outages. Input Voltage: 120 VAC, 60HZ.

- ▶ High Frequency Switching
- ▶ Power Cable Assembly
- ▶ Header Connection Strip for Ease of Wiring
- ▶ Solid State Circuitry
- ▶ Aluminum Back Panel for Ease of Installation
- ▶ Electronic and Circuit Breaker Overload Protection
- ▶ Fluctuations and Power Outages

VERSIONS AND MODEL NUMBERS:

STATION TYPE	MODEL NO.	TERMINAL CAN
Power supply module that includes one (1) 28 volt 3.5 amps power supply	NV PSM/1	NV TC-1822/6
Power supply module that includes two (2) 28 volt 3.5 amps power supplies	NV PSM/2	NV TC-1822/6
Power supply module that includes three (3) 28 volt 3.5 amps power supplies	NV PSM/3	NV TC-1822/6
Power supply module that includes four (4) 28 volt 3.5 amps power supplies	NV PSM/4	NV TC-1822/6
Power supply module that includes five (5) 28 volt 3.5 amps power supplies	NV PSM/5	NV TC-1822/6

- For use with the West-Call® Novus® system
- For surface mounted louvered door order part number NV TCD-1822/S/LV
- For flush mounted louvered door order part number NV TCD-1822/F/LV
- Maximum load per Power Supply is 16 primary addresses

Power Consumption Size	120 watts per supply 17" H x 20-1/8"W x 3.5"D (NV PSM/1 to NV PSM/5)
Mounting Cabinet	21-9/16 H x 18-5/16 W x 4-1/16 D, Electrical enclosure or equivalent Flush or surface mount available (NV PSM/1 to NV PSM/5)
Regulation Cable Requirement Certifications	Fold back current limiting with restart 2 conductor #18AWG per power supply to associated central control terminal UL-1069 for US and Canada, E139082

NOTE: This information should not be used for final design. Consult West-Com for total system requirements. Specifications subject to change without notice.
