

**S-Tag**

The small and lightweight Staff Tag has been designed with the healthcare worker in mind. It can integrate with existing personal identification badges through a variety of attachment accessories. Utilizing the West-Call® Local Positioning System, the S-Tag complements the existing Patient Tag (P-Tag) and Moving Objects Tag (E-Tag). High Definition locating of staff members enables automatic functions such as:

- Nurse Presence and nurse call cancellation
- Log-on/Log-off access to patient information
- Access control
- Workflow support

- ▶ Designed to focus on hygiene and reliability
- ▶ Long Battery Life
- ▶ Lightweight, compact shape is easy to wear, by attaching to lanyard or clipping onto uniform
- ▶ Multi-Color LED enables user to communicate requests or status remotely
